

SAN FRANCISCO SYMPHONY PIERRE MONTEUX SOCIETY

Pierre Monteux left a significant legacy to the San Francisco Symphony and the Bay Area during his tenure as Music Director from 1935 to 1952. Maestro Monteux planted the seeds of inspiring music, world prominence, and innovative programming that continue to this day. For this reason, the San Francisco Symphony honors him as we recognize devoted and visionary patrons who contribute to the Orchestra's future through their estate plans.

Society members who create legacies through a bequest, life income plan, or other type of planned gift help strengthen the financial future of Symphony programs for generations to come. The San Francisco Symphony expresses its deep gratitude to the following patrons who have contributed to the Orchestra's future through a planned gift.

For further information on how to join the Pierre Monteux Society, please contact Stephen D. Steiner, Director, Gift Planning at (415) 503-5445 or by email at ssteiner@sfsymphony.org.
