### Health & Safety Information

Davies Symphony Hall is currently operating at full audience capacity. A face covering is required for entry into Davies Symphony Hall and must be worn at all times. Due to the transmissibility of the Omicron variant, the SF Symphony strongly recommends that patrons wear a non-vented respirator, such as an N95, KN95, or KF94 face mask. Effective February 1, 2022, the San Francisco Symphony requires proof of up-to-date vaccination against COVID-19 for everyone entering Davies Symphony Hall ages 16 and up who's eligible—including patrons, performers, volunteers, and staff. "Up-to-date vaccination" is defined as two weeks after completion of the two-dose regimen of Pfizer or Moderna vaccines, one dose of Johnson & Johnson vaccine, or other WHO authorized COVID-19 vaccine, and one week after receiving a booster shot, for those eligible. Beginning March 1, 2022, this requirement is expanded to ages 12 and older. Patrons under age 12 must show proof of up-to-date vaccination or a negative COVID-19 test (PCR test taken within 2 days of event entry or antigen [rapid] test taken within 1 day of event entry).

For those patrons under age 12 who wish to show verification of a negative COVID-19 test result, the following are acceptable as proof: a printed document (from the test provider or laboratory); or an email, text message, web page, or application (app) screen displayed on a phone or mobile device from the test provider or laboratory. The information should include person's name, type of test performed, negative test result, and date the test was administered. Self-administered antigen testing is not acceptable at this time, but patrons may bring an unopened at-home rapid test with them to Davies Symphony Hall to take with a verified EMT present.
